

Finials

Choose from our range of unique finials, all handcrafted to the highest standards.

Our traditional wrought iron finials are inspired by our rural surroundings here in the heart of the ancient Wychwood Forest here in the Cotswolds. Our more contemporary Murano glass designs originate from handblown Italian glass.

All finials are suitable on 16mm, 20mm and 25mm pole — please indicate when ordering.

Wychwood Wrought Iron

Specialists in handmade wrought iron for the home

*"It was so easy to order a pole pack.
Within a few days of placing the
order, I could put up my new curtains.
Many thanks. I will definitely
recommend you in the future."*

Nicola Williams, Staffs.

*"I was delighted with my tie backs.
They were made beautifully to my
own specifications and were delivered
within a week!"*

Helen Savin, Cornwall.

Wychwood Wrought Iron is a family run business, based in the beautiful rolling hills of the Cotswolds and overlooked by the Wychwood Forest — a medieval hunting ground. We are deeply rooted in our splendid local landscape, often drawing inspiration for our designs from the beauty of our natural surroundings. We are also passionate about being part of our local community, sourcing our raw materials locally as far as possible.

Our aim is to provide the finest quality ironwork for the home and garden at affordable prices. The products in our range are made using traditional blacksmith skills and hand finished to the highest standards. We are confident you will be delighted with our products, and if you don't see exactly what you are looking for, please do not hesitate to contact us by phone or email. We will always be happy to discuss your individual requirements with you.
